Message from the Principal ...

Dear Parents and Caregivers,

We have been working very hard already this year to continue to increase our school standards in both learning and wellbeing. Our school has been doing such great work that it was recognized on a site visit from our Education Director - Ian May. Mr. May was extremely impressed with our school culture and the amazing work of our staff in maintaining high standards in the classroom. So feel free to come in before 8:50am and after 3:05pm to take a look for yourself.

A new attendance service our school will be providing is a school mobile phone. This number (0407 619 351) can be contacted via text message to give a reason for your child’s absence from school. Please note that this service is not for phone calls and will not be answered. If you would like to speak with the school please contact the school via the school phone number (08) 8645 8842.

Please be aware that Monday the 9th of March is a public holiday and there will be no school on that day. I hope you enjoy the long weekend and we will see you back at school on Tuesday the 10th of March.

Regards
Mitchell Ollington - Principal

It has been a great start for Room 11 this year, with students excelling in all areas and even being rewarded with a class party for whole class positive and well behaved behaviour.

OUTSTANDING STUDENT

One student has stood out with big improvements in his spelling with blitzing his spelling, dictation tests and short Mathematical test. Well done Kevin.

STEPHANIE ALEXANDER KITCHEN GARDEN

Kitchen Garden has taken off well again this term and room 11 have been keen and eager to get their hands into helping our garden flourish. It is great to see students happy in seeing what they have planted as a seed, watch it grow, and then harvest this food for cooking in the kitchen which we love to eat once it has been prepared. A big thankyou to Miss Sherry and Miss Tammy for making this possible.
