Message from the Principal …

Dear Parents and Caregivers,

I hope you have been enjoying the term so far and trying to keep warm through this unseasonably cold weather. If you are attending, please enjoy the Whyalla Show and all of the wonderful attractions, games and food that come with the event.

As always, we have had some fantastic things happening at Fisk Street Primary School. Last week our students were able to go and visit significant Aboriginal sites in Whyalla for our NAIDOC Week celebration. Even though it was a cold and windy day students enjoyed the excursion and later in the term will hear the stories that relate to the sites.

We had two sporting teams, netball and soccer, compete in the Whyalla Interschool sports carnivals. The teams tried their hardest in all games and showed our school values of Honesty, Respect, Doing your Best and Teamwork. This was evident through our soccer team winning the attitude flag, which is now hanging in our trophy cabinet.

We also celebrated SSO Week this week with a morning tea. We have such wonderful SSO staff at Fisk Street Primary School and without them the school would not function.
